BOILER CARE PLANS

Feel warm and looked after this winter, at Gas & Oil Ltd we offer a variety of care plans to suit your needs. Remove the stress of finding a reliable plumber, unexpected bills or delays, with our care plan, help is just a call away. Within 24 hours, one of our qualified engineers will be with you and the boiler will be repaired without any unexpected costs!

An annual boiler service is essential to keeping your boiler safe and efficient! Efficiency and care is key to a long life boiler and saving you money!

Only use a GAS SAFE REGISTERED ENGINEER to FIT, FIX and SERVICE your gas appliances.

Only use a OFTEC REGISTERED TECHNICIAN to FIT, FIX and SERVICE your oil appliances.

ACCREDITATIONS

To ensure our customers receive a high standard of workmanship and professionalism, our company is accredited and monitored by several trade and industry bodies.
